#### Portfolio Highlights for the Quarter Ended March 31, 2021

The Company realized servicing fee income of \$13.5 million, interest income of \$6.0 million and other income of \$11.8 million, primarily related to unrealized gains on investments in Servicing Related Assets, as well as realized gains on RMBS, partially offset by realized and unrealized losses in derivatives. The unpaid principal balance for the MSR portfolio stood at \$21.7 billion as of March 31, 2021 and the carrying value of the MSR portfolio ended the quarter at \$217.2 million. Net interest spread for the RMBS portfolio stood at 1.57% and the debt-to-equity ratio on the aggregate portfolio ended the quarter at 3.4x.

The RMBS portfolio had a book and carrying value of approximately \$1.0 billion at quarter-end March 31, 2021. The portfolio had a weighted average coupon of 3.17% and weighted average maturity of 28 years.

In order to mitigate duration risk and interest rate risk associated with the Company's RMBS and MSRs, Cherry Hill used interest rate swaps, swaptions, TBAs and Treasury futures. At quarter end March 31, 2021, the Company held interest rate swaps with a notional amount of \$1.5 billion, swaptions with a notional amount of \$50.0 million, TBAs with a notional amount of \$342.0 million, Treasury futures with a notional amount of \$67.0 million, and options on Treasury futures with a notional amount of \$80.0 million.

As of March 31, 2021, Cherry Hill's GAAP book value was \$10.83 per diluted share, net of the first quarter dividend.

#### Dividends

On March 4, 2021, the Board of Directors declared a quarterly dividend of \$0.27 per share of common stock for the first quarter of 2021. The dividend was paid in cash on April 27, 2021 to common stockholders of record as of the close of business on March 31, 2021. Additionally, the Board of Directors declared a dividend of \$0.5125 per share on the Company's 8.20% Series A Cumulative Redeemable Preferred Stock and \$0.515625 per share on the Company's 8.250% Series B Fixed-to-Floating Rate Cumulative Redeemable Preferred Stock for the first quarter of 2021. The dividends were paid in cash on April 15, 2021 to Series A and B Preferred stockholders of record as of the close of business on March 31, 2021.

#### **Core Earnings**

Core earnings is a non-GAAP financial measure and is currently defined by the Company as GAAP net income (loss), excluding realized gain (loss) on RMBS, realized and unrealized gain (loss) on investments in MSRs (net of any estimated MSR amortization), realized and unrealized gain (loss) on derivatives and realized (gain) loss on acquired assets. Core earnings is adjusted to exclude outstanding LTIP-OP Units in our Operating Partnership and dividends paid on preferred stock. MSR amortization refers to the portion of the change in fair value of the MSRs that is primarily due to the realization of cashflows or runoff and includes an adjustment for any gain or loss on the capital used to purchase the MSR. Additionally, core earnings excludes any tax (benefit) expense on realized and unrealized gain (loss) on MSRs. Core earnings are provided for purposes of potential comparability to other issuers that invest in residential mortgage-related assets. The Company believes providing investors with core earnings, in addition to related GAAP financial measures, may provide investors some insight into the Company's ongoing operational performance. However, the concept of core earnings does have significant limitations, including the exclusion of realized and unrealized gains (losses), and given the apparent lack of a consistent methodology among issuers for defining core earnings, it may not be comparable to similarly-titled measures of other issuers, which define core earnings differently from the Company and each other. As a result, core earnings should not be considered a substitute for the Company's GAAP net income (loss) or as a measure of the Company's liquidity.

The following table provides a reconciliation of net income (loss) to core earnings for the three months ended March 31, 2021 and 2020:
